SAFETY

Smart technology supports the significance of user driving safety.

540° PANORAMIC PARKING ASSIST SYSTEM

ULTIMATE FUN

Humanized design enables you to enjoy your driving experience.

Electric seat's rest

The highly customizable sports seat can be adjusted by 8-way electric power, and an electric lumbar support design is included to provide the best driving experience possible.

Environmental purification system

It combines PM2.5 monitoring, CO monitoring, a 100% high-efficiency air filter, and a negative ion generator with 115 different types of health and ecological friendly linear measures to create an all-around ecological purification system.

ENJOY THE JOURNEY

More room to accommodate travel requirements.

Electric trunk, many types of travel equipment, all in one vehicle

2720mm large wheelbase, creating a larger space.

You may utilize the 6th rear seat layout in any manner you wish.

360° start cabin, bringing a 360° start cabin space.

HUMANIZED CONFIGURATION

A better driving experience is more than just convenience.

8-speaker sound system let you enjoy music like you are in a private theatre.

12V power outlet, worry with 12V wireless power charging for mobile phones.

Perception of the natural environment. Your mobile health concern is not your digital display screen.

SURGING POWER

1.6TDD engine, outstanding power and low consumption.

145 Maximum output power up to 145 kW

290 Maximum torque up to 290 N·M
